

Reading assignment Read & Test Online Pathology Quiz 2021 No 6 (June) (Breast Pathology)

Instructions to candidates:

How to join the program:

- This online quiz program is free and open to all pathology residents from any country.
- Send me the following details (email: issamfrancis@gmail.com or WA: +96599807342): First and Last names, Country, Center, Residency Year. An invitation email with account details will be sent to your personal email provided upon registration
- An online interactive quiz of 60 MCQs will be posted on the first day of each month of 2021 based directly on the 10 review articles in pathology journals.
- If you are already registered in either the *IPQ* or *Read & Test 2020*, you don't need a new registration.

How to Login and do the online test:

- Log in to your quiz account <https://www.flexiquiz.com/Account/Login> using your **IPQ Username and Password** given in the invitation email. If you lost/forgot your password, click (**Forgot Password?**), Enter your email, and follow the instructions. If you still face a problem, email me at: issamfrancis@gmail.com for support.
- You have 3 attempts to do the quiz. You are advised to attempt the quiz before and after reading to measure your knowledge gained from reading.
- Pass mark for quiz is 50 %. Time of quiz is 100 minutes.
- You need to secure at least 30% to obtain a certificate of quiz completion. You will then receive a certificate with 3 CME points via email. Total CMEs assigned to the Read & Test 2021 program is 51 category 2 CMEs.
- All quiz material is protected copyright and cannot be posted on the web or social media.

Please read the resources (1-10) listed below and attempt the online quiz. Due to copyright restrictions, I cannot share the review articles. Some are open source on the web but are restricted.

You are advised to request the help of academic institution in your center/country.
