

Read & Test Online Pathology Quiz 2022

How to join the program:

- This online quiz program is free and open to all pathology residents from any country.
- Send me the following details (email: issamfrancis@gmail.com or WA: +96599807342): **First and Last names, Country, Center, Residency Year.** An invitation email with account details will be sent to your personal email provided upon registration
- An online interactive quiz with 60 MCQs will be posted each month of 2022 based on selected review articles in pathology journals, Book chapters or selected educational web sites. A list of resources will be circulated with the quiz. List can also be found at <https://ritepath.org/ipq/>
- If you are already registered in either the *IPQ* or *Read & Test 2020/2021*, you don't need a new registration.

How to Login and do the online quiz:

- Log in to your quiz account <https://www.flexiquiz.com/Account/Login> using your **IPQ Username and Password** given in the invitation email. If you lost/forgot your password, click (**Forgot Password?**), Enter your email, and follow the instructions. If you still face a problem, email me at: issamfrancis@gmail.com for support.
- You have 6 attempts on each quiz. You are advised to attempt the quiz before and after reading to measure knowledge gained.
- Pass mark for quiz is set at 50 %. Time of quiz is 100 minutes.
- You need to secure at least 30% to obtain a certificate of quiz completion. You will then receive a certificate with 6 CME points via email.
- Total CMEs assigned to the Read & Test 2022 program is 72 category 1 CMEs.
- All quiz material is protected copyright and cannot be posted on the web or social media.
